**SOUTH SHORE AREA BRANCH**  
Serving the South Shore of  
Massachusetts from Quincy to  
Plymouth

Our members believe in the power of education to change women's lives. We also recognize that women's education means more than attaining higher degrees. It also means becoming financially literate, daring to take risks to grow and to learn throughout our lives, and helping others both around us and far away from us to reach their potential. Our programs focus on issues of interest to women. No matter how busy your daily routine is, we think you'll get something out of our events. You'll meet like-minded women from the South Shore and hear fascinating speakers on thought-provoking topics.

For more information about our meeting topics and speakers, please contact Program VP Carol Sullivan-Hanley.

Expand your horizons and potential. Come to our monthly meetings, bring a neighbor, friend or colleague!

Remember, **AAUW advances equity for all women and girls through advocacy, education, philanthropy and research.**

We look forward to seeing you!

LOCATION: TBA

The South Shore Area branch of AAUW meets monthly from September through May usually on the second Tuesday evening of the month at various locations convenient to the wide area covered by our membership. Programs are planned to relate to AAUW's mission to promote equity for women and girls through advocacy, education, research and philanthropy. Our fundraising helps to support AAUW's **Educational Opportunities Fund**, the world's largest source of funding exclusively for graduate women and the **Legal Advocacy Fund**, the nation's largest legal fund focused solely on sex discrimination in the workplace. Through the South Shore Area Branch's local recognition award we help a local college student attend the National Conference of College Women Student Leaders (NCCWSL).

We seek and welcome new members who hold an associate or equivalent or baccalaureate or higher degree from a qualified educational institution. Undergraduates may join as student affiliates. We practice AAUW's diversity statement: *There shall be no barriers to full participation in this organization on the basis of gender, race, creed, age, sexual orientation, national origin, disability or class.*

#### **AAUW MISSION STATEMENT**

AAUW advances equity for all women and girls through advocacy, education, and research.

#### **AAUW VISION STATEMENT**

AAUW is committed to making a significant impact on education and equity for all women and girls. We will remove barriers and develop opportunities to enable women and girls to reach their full potential. This shared vision drives the work of AAUW at all levels.
