## PRESIDENT'S MESSAGE

"The history of the past is but one long struggle upward to equality." Elizabeth Cady Stanton

The election is fast approaching and "The Get Out the Vote Effort" has never been more important to our country and our members than it is right now. Deanne Noiseux made an extraordinary effort and delivered information packets on voter registration to a number of college campuses.

Our October STEM meeting was very informative with four of the young participants from our summer STEM week speaking to us along with Lynn Howard. Parents, AAUW Members, and the Weymouth School Superintendent, Dr. Jenn Whipple were in attendance.

Early registration for our National Convention in Washington, DC June 14-17, 2017 is now open. Hollie and I are planning to attend; we hope you will all join us.

Our next Branch meeting is scheduled for November 15th. The topic is **Planning for the Future: Knowing what you need for estate planning.** It will be held at the Hingham Public Library at 7:00 PM. I look forward to seeing everyone there.

Sheila
